بِسْمِ اللَّهِ الرَّحْمَٰنِ الرَّحِيمِ

That we get from the beginning of any work by reference to the relationship between the slave and God Almighty and the cause of his creation is worship associated with livelihood and the account associated with mercy in the world and the beginning of Islam,then we get my negative,and my ground,which is the center of any operation of my operations.

الْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ

That with the realization of the teachings of Islam, we reach the end of the realization of all the blessings of the visible and the inside of us to achieve the completion of the work of the system in every part of it and in it as a whole we reach the starting point is the relationship between the servant and God Almighty is the request for livelihood and guidance for the good way in this world and the

paradise and paradise,and this all with my cell&my section ,with my principles,and my delta
